

Jump-start Your ShowingTime Experience on May 2nd

The screenshot displays the RMLS web application interface. At the top, there is a navigation bar with tabs for Desktop, Search, Prospecting, Statistics, Realtor Assoc, MLS Roster, Toolkit, Back Office, and Hello, SentiLock!. Below the navigation bar, the main content area is divided into several sections. On the left, there are status boxes for 'No New Prospect Matches', 'No New HotSheet Matches', and 'No Listings Expiring in Next 7 Days'. Below these is a 'Subscriber Account Information' section and an 'RMLS™ Inventory Today' section with a table of statistics. The central part of the page features a 'Help' section with a 'Need Help?' notice and an 'RMLS™ News' section with an article titled '*Did You Know? You Can Find Roster Information...'. On the right side, there is a 'Search' section with a search bar and a 'My Prospecting' section with a table of listing statuses. A 'Toolkit' dropdown menu is open in the center, listing various tools and services. The 'ShowingTime' option is highlighted with a red rectangular box.

ShowingTime is an efficient online scheduling tool allowing, *but not requiring*, RMLS™ subscribers to schedule a showing from right inside RMLSweb. Listing brokers using ShowingTime may set up showing schedules, automate communications with owners, while confirming, rescheduling, or denying showing appointments. Buyers' brokers may use ShowingTime to schedule appointments, get driving directions. ShowingTime can even be used for showing feedback!

Here are just a few of the ways ShowingTime can help RMLS™ subscribers:

- Create showing schedules for listings
- Schedule showings for a listing

- Instant notifications via text, email, or phone when showings are requested/confirmed
- Online access to showing information from any device
- Showing Feedback
- Schedule multiple showings at once (via Showing Cart)
- Map a buyer's tour
- Display driving directions

All of this is free to RMLS*web* users, but power users may want to level up to the ShowingTime paid product for advanced capabilities.

JUMP-START YOUR SHOWINGTIME EXPERIENCE

ShowingTime is offering a limited run of webinars for RMLS™ subscribers. [Get acquainted by joining one of the four webinars happening May 1st, 2nd, and 3rd.](#)

Once the product goes live on May 2nd (along with the [other RMLS*web* projects debuting at the same time](#)), head to RMLS*web*. Navigate to the Toolkit menu and select ShowingTime (above).
