PSU Student Development Proposals: East versus West (Portland)

What would you build on three blocks in Portland's central east side? How would you develop two downtown city blocks? Come and see the work of two teams of Portland State

University graduate students as they present their ideas.

The east side team will present their recommendations for the ODOT blocks recently acquired by Prosper Portland. The west side team will offer recommendations for two city blocks owned by a Japanese company and the Archdiocese of Portland. Each team will respond to challenges including inclusionary zoning, historic preservation, interagency cooperation, and market conditions. A panel of industry professionals will respond to each proposal, with PSU's Gerard Mildner moderating.

Breakfast is included in the registration fee. [Register to attend the PSU MRED Development Proposal event.](#)

PSU MRED Information Session (Portland)

Spend an hour with [PSU Master of Real Estate \(MRED\)](#) Academic Director Dr. Gerard Mildner and Center for Real Estate Executive Director Julie Gibson. They will discuss how this program's curriculum is tailored to your needs while using Portland as an urban laboratory for applied learning.

The MRED degree offers a noteworthy partnership between the School of Business Administration and the Nohad A. Toulan School of Urban Studies and Planning. This session will begin with highlights of how this graduate degree offers a multidisciplinary approach to studying real estate, followed by tips and admissions information, and conclude with an opportunity for questions. or call (503) 725-8001.
