

# New Updates on RMLSweb Now in Action

**RMLSweb has been updated with some new and exciting features:**

1) Electronic input forms are now available in several formats on RMLSweb. Take a look at the Listing Input Forms Change Summary to see all changes.

2) In client and agent reports, most city and county names are now links to local municipalities for that area

3) Short Sale Yes/No, Short Sale Offer Yes/No and Energy Efficiency have been added to the Export Residential Report. Distance to BLM has also been added to the Export Farms and Ranches Report.

4) All Room Features field is now available in Advanced Search
