

Congratulations to the Winners!

Thanks to those who participated in the 2011 RMLS™ Subscriber Satisfaction Survey!

This year's Subscriber Satisfaction Survey was a great  success. Thank you to everyone who took the time to participate! We had a total of 2,199 subscribers answer the survey, which is about 20.7% of all RMLS™ subscribers.

As incentive to participate, we gave away a free quarter of RMLS™ dues to TWO randomly selected subscribers who took the survey. Our lucky winners were Whitney Thill and John Goldhammer! We also gave away a Starbucks giftcard to the 2,011th survey respondent. The Starbucks card winner was Amy Asivido. Congratulations to our winners!

Our Next Steps:

Every comment will be read over by a small team of RMLS™ staff and sorted into categories. Then, comments that need a response will be answered via email or phone by the appropriate RMLS™ staff member. The survey responses will be graphed and shown to the RMLS™ Board of Directors, and the feedback will be used to help decide on projects for the upcoming year.

Thanks again! Your feedback is valued!
