

RMLS™ to End Supra Lockbox Buyback August 1st

Planning to exit the real estate industry? Need to unload  extra lockbox inventory?

Hurry in to RMLS™!

RMLS™ will be ending its standard buyback of used Supra lockboxes on **August 1, 2013**, as part of our upcoming transition to SentiLock. RMLS™ currently buys back Supra lockboxes at a rate of \$40 per lockbox, with a check issued to the subscriber one or two weeks later.

All Supra lockboxes (new or used) sold by RMLS™ after September 1st will be priced the same as a new SentiLock lockbox—\$89.

RMLS™ will switch to SentiLock this fall. Events will be held around the RMLS™ region in October and November, allowing subscribers a *one-for-one exchange on Supra lockboxes registered in their name*. We are currently in the process of finalizing the venues for these exchange events, and subscribers should expect email invitations in early September to register.

Subscribers should also watch for an email from RMLS™ with information about which Supra lockboxes are currently registered to you. Pay attention to this information: at these exchange events, *only lockboxes registered to you will be allowed for a one-for-one exchange!* (Download a Lockbox Transfer Form [here](#).)

Our trainers and staff have been giving SentiLock demonstrations at offices around the region. If you haven't been able to see it in person, view this SentiLock demonstration video [online!](#)
