

# SentriLock Lockbox Activity February 10-16, 2014

## **This Week's Lockbox Activity**

For the week of February 10-16, 2014, these charts show the number of times RMLS™ subscribers opened SentriLock lockboxes in Oregon and Washington. Activity largely rebounded in Oregon and Washington this week from the previous week's winter storm.

For a larger version of each chart, visit the RMLS™ photostream on Flickr.

**Please note: due to the RMLS™ transition to SentriLock, historical data is only currently available through the RMLS™ Flickr page, under the tag "Supra lockbox activity." SentriLock data will continue accumulating until each chart represents a year of data.**
