This Week's Lockbox Activity

For the week of July 28-August 3, 2014, these charts show the number of times RMLS[™] subscribers opened SentriLock lockboxes in Oregon and Washington. Showing activity rose in Washington and fell in Oregon this week.

For a larger version of each chart, visit the RMLS™ photostream on Flickr.

Please note: due to the RMLS[™] transition to SentriLock, historical data is only currently available through the RMLS[™] Flickr page, under the tag "Supra lockbox activity." SentriLock data will continue accumulating until each chart represents a year of data.
