

Distressed Properties Postscript: Looking at Cumulative Days on Market

 *Click to enlarge*

Ever wonder how distressed properties fare in terms of their cumulative days on market (CDOM) versus traditional listings?

RMLS™ tax data guru Kim Hutchinson has been tracking CDOM on RMLSweb since July 2009 and as a follow-up to last week's release of the Q1 2015 residential distressed properties infographics, we put his collected monthly records into graph form.

Enjoy!
