

RMLS™ Portland Office to Relocate This Fall (Updated November 7, 2019)

RMLS™ will be making a move this fall when the corporate office in Portland relocates to Southwest Portland!

As of early November RMLS™ will be located at 16101 SW 72nd Avenue, convenient to I-5, 217, and Bridgeport Village. This new building will offer a larger training room and better car parking.

RMLS™ began scouting a new location based on a heat map of Portland-area subscriber addresses, seeking a space that would be maximally convenient for as many RMLS™ subscribers as possible. The RMLS™ Board was instrumental in guiding this process, from supporting the concept through making final approvals.

Portland-area RMLS™ subscribers have been traveling to the current location, near the Portland airport, since 2012. Before that, the office was located in the Lloyd District on the inner east side.

RMLS™ plans to hold an open house in mid-December to welcome subscribers to the new space. We hope to see you there!

Update (November 7):

The new office space features an electric vehicle charging station nearby. Learn more and see photos of the station [here](#).
