

New Look for Agent Full Reports

RMLS™ is preparing to release a new look for agent reports on Tuesday, June 16.

Among the most notable changes are information regarding price, beds/baths and total square footage will be at the top of the report, and that showing instructions will be in a text box in the upper-right area of the report.

Thank you for all the feedback about agent reports, and please let us know if there are any other changes you would like to see.
