

Use RatePlug for Accurate Payment Estimates, Virtual Flyers and Pre-Approval Links

RatePlug puts accurate monthly home payment estimates from your trusted lenders directly within the property reports you send your clients through your RMLS™ system. Their Virtual Flyer Program makes it simple to share your listings with buyers in seconds via email or text. Get your buyers thinking about affordability and asking questions about their financing earlier, while avoiding closing snafus later!

Click Here – to view a 1-minute overview of how RatePlug helps you, your buyers, and your lenders.

- No cost for RMLS™ members to enroll.*
- Displays ONLY your trusted lending sources.
- Interactive, real-time mortgage information.
- Link directly to your lender's Pre-approval process.
- Notifies you of special financing options (FHA, VA, USDA, etc.).
- Virtual Flyer can be emailed, texted or posted on social media.
