Argus Training Workshop

Learn Argus, a valuation and asset management software system, at PSU! David Aoyagi, Managing Principal at DART Equity, teaches this class running two Saturdays: June 22nd and June 29th, from 9am-10pm. PSU students may earn one credit hour for the course, and certification is available for an additional $250. Registrants must contact Julie Gibson by June 18th to reserve their space in the workshop.
