# The HUD 230K Renovation Mortgage Program (Portland)

Presented by Scott Harris of PropertyExam, this comprehensive presentation covers all aspects of the HUD/FHA renovation mortgage program—from finding a home that needs repair to completion. The 203K program has been around for 30 years but it has evolved considerably. Missteps can be easily avoided and the process, if started correctly is push button. This presentation goes through the program process, rewards, and restrictions. It also covers the marketing potential and important relevance in today's real estate market.

**Space is very limited** and each person must register individually on the event's web page.
