

CCIM November Meeting

Oregon/SW Washington CCIM Chapter and the PSU Center for Real Estate invites you to attend their November meeting

New Sense of Place

Fred Bruning

Centercal Properties LLC

Fred will speak about today's retail consumer looking for a sense of place as much as a place to shop, and the creation of this special space is as important as tenant mix in assuring the success of a new retail venture. (CE credit is available for non-members of CCIM for a \$15 charge.)

Marketing Session 10:00am-12:00pm

(CCIM members and invited guests attending lunch)

CCIM's monthly marketing sessions offer great opportunities to present your properties and enhance business and professional skills, network, and gain knowledge. The marketing sessions are typically for just CCIM chapter members but for the November luncheon we are opening it to all guests attending the luncheon.

Luncheon: 12:15pm-1:30pm

(Special meals must be ordered 72 hours in advance, and may require additional fees.)

Register on the Oregon CCIM website.
