

Practical Fair Housing Tips (Webinar)

Former real estate licensee Jo Becker brings a unique perspective to fair housing, and truly appreciates the housing provider's perspective. In this webinar, she'll explore federal, state, and local fair housing laws from a real estate perspective advising what REALTORS® need to know to protect themselves and clients. She'll share stories and case law, illustrating what not to do, who must comply with fair housing laws, and what is and isn't protected. One hour of CE credit may be issued—contact Jane Robertson for details.

This webinar is being presented by the Oregon Fair Housing Council and Portland Metropolitan Association of REALTORS®. Register for Practical Fair Housing Tips.
