

RMLS™ Broker Education Series (Hood River)

RMLS™ will host a free course in Hood River as part of its Broker Education Series. Fiona Douglas-Hamilton will present Energy Performance Scores: Valuing Energy Improvements from 8:30am-noon. This class is worth 3.5 CE credits in Oregon and/or Washington.

Participation is free, but attendees must be registered. Register for the Broker Education Series event in Hood River on April 8th.

REALTOR® Day at the Capitol (Salem)

Join over 500 REALTOR® colleagues at the Oregon State Capitol grounds in Salem to stand up for real estate industry issues! Hear presentations on OAR's legislative agenda, then meet and mingle with legislators during a barbecue lunch and small group appointments. More REALTORS® participating means a real show of force to the legislature.

This event is free, and may be worth 1.5 CE credits. Read more about or register for REALTOR® Rally at the Capitol 2015.

All About ADUs (Portland)

Earth Advantage® invites REALTORS® to learn about ADUs! This half-day course is intended for brokers who need to increase their knowledge about accessory dwelling unit (ADU) development, in order to respond to increasing client demand for properties with ADU potential. Many prospective home buyers are interested in building an ADU on their property. This course is intended to help brokers understand the basic planning and building regulations for ADU development in the City of Portland in order to better assist their clients.

This course will be taught by Kol Peterson, who built his own ADU in NE Portland and has since been teaching homeowners, real estate professionals, builders, and designers about ADUs.

This course is worth 4CE credits in Oregon. Register for All About ADUs.
