

Seller Financing (Webinar)

If your brokers are representing clients in seller carry transactions, it is important to be aware of the seller carry forms, soon to be uploaded. Understanding the forms, gently handling a transaction by using any and/or all of the six forms, and recommending legal consultation are just a few of the many tips Oregon Real Estate Forms (OREF) will discuss in their June 30th webinar about seller financing.

Read more and register for Seller Financing through the Oregon Association of REALTORS® website—1.5 CE will be administered for the course.
