

# Understanding Solar Energy Solutions (Webinar)

Join Earth Advantage® and Energy Trust of Oregon for a one hour webinar about solar options and how to sell these clean, renewable energy systems.

The session will cover:

- an introduction to Solar PV and Solar Ready
- how these technologies can help your clients lower their cost of ownership and produce clean, renewable electricity
- how to take advantage of incentives and tax credits
- sales benefits and resale premiums of Solar PV/Solar Ready
- how to incorporate Solar PV financing into a mortgage

Contact Heather Kendall of Earth Advantage with questions at (503) 968-7160 x20. Register for this Understanding Solar Energy Solutions webinar.
