

# **Listing Presentation Secrets (Portland)**

Online lead generation systems and tactics are always changing. As a real estate agent you have a tremendous amount of competition out there and not just against other agents but huge real estate portals and massive amounts of both accurate and inaccurate information.

Real estate agents deserve better tools, which is why agents are using Cloud Agent Suite to simplify their workflow and look awesome in front of clients and prospects. Join Cloud Agent Suite at a live event at RMLS™ on Thursday, June 14th to learn how to use Cloud Agent Suite tools to work smarter with clients and grow your business.

**Two sessions will be held—one at 10:00 am, the other at 1:00 pm.**
