

Northwest Radon Forum (Portland)

All real estate professionals are encouraged to attend this year's Northwest Radon Forum to learn about radon, areas of concern, health effects, testing, and community resources.

Attendees may receive 2 CE credits in Oregon, provided by Environmental Works under the topic of Environmental Protection Issues in Real Estate. To receive CE credit, sign in at the registration table upon arrival.

Short-term radon test kits will be available for purchase at this event for \$7 each, while supplies last.

RMLS™ subscribers, watch the RMLS™ Weekly Report on Monday, January 21st, for your chance to win a free radon kit!
