

# All About ADUs (Portland)

Join Earth Advantage and local ADU expert Kol Peterson for a half-day course intended to increase brokers' knowledge about accessory dwelling unit (ADU) development in order to respond to increasing client demand for properties with ADU potential. Many prospective home buyers are interested in building an ADU on their property. This course is intended to help brokers understand the basic planning and building regulations for ADU development in the City of Portland to better assist their clients.

Attendees who are interested in using this course to work toward an ADU specialist accreditation should visit the Earth Advantage® Broker website to learn more.
