

Exploring the New Cloud CMA and Cloud Streams (Portland)

Consumers today don't just want to have access to fast, detailed real estate information, they expect it. If you're looking to grow your business, you need tools that not only make your life easier but also impress your clients and prospects. Join Damon Alton to get an inside look at the brand new Cloud CMA and Cloud Streams so you can start writing more offers and winning more listings.

Attendees will learn how to wow clients with modern, customizable reports; create any report with just one click; see the redesigned all-in-one client activity stream; get your clients to new listings first with fast alerts; and learn how to provide clients with custom branded alerts.

This session is free. Register for Exploring the New Cloud CMA and Cloud Streams.
