

# Homes.com Webinar on April 9, 2020

RMLS™ subscribers, check out this webinar from Homes.com:

**Your Listing. Your Lead.**

**Your Profile.**

Take advantage of this time to improve your online exposure!

Take advantage of the free online marketing available from Homes.com. Your listings come directly to Homes.com from RMLS™ and Homes.com always sends inquiries directly from your listings back to you. But, will buyers know who you are when they find your Homes.com Profile?

The Homes.com marketing and professional training teams have put together custom content for an amazing online learning experience. There will be a professional speaker walking you through how to take advantage of the free exposure available on Homes.com.

Put a face to your name and attract leads with a call-to-action on your Homes.com profile. Register now and Homes.com will show you everything you need to know, from accessing your free Homes.com account to enrolling new leads in the free monthly newsletter they offer to all RMLS™ subscribers.
