

# Webinar: Oregon ADU Zoning Updates – HB2001 & Portland Residential Infill Project

Be at the forefront on code changes that affect ADUs in Portland and across Oregon.

Join this special 1.5-hour ADU update webinar providing the most up-to-date ADU zoning changes for Oregon housing markets.

Wednesday, Oct. 14, 2020

9:00 AM – 10:30 AM | 1.5 CEs

Live Webinar

\$10-15 (no cost for ADU Specialists)

Changes under both the Oregon House Bill 2001 and Portland's Residential Infill Project once again demonstrates Oregon's leadership on urban density and ADUs. This training will cover both of these legislative adjustments and provide real estate and building industry professionals with the info they need on how zoning changes impact their development entitlements.

## Q&A with Special Guests

The webinar will conclude with a 30-min Q&A session that will feature the primary webinar presenter, Kol Peterson, and the leading authors at the source of the two regulations:

- **Morgan Tracy**, project manager for Portland's Residential Infill Project
- **Ethan Stuckmayer**, Senior Planner for Oregon's Department of Land Conservation and Development

**Register to attend.**
