

Webinar: Training for Paragon and CRS Data Tax Suite

Join the folks at Paragon in a training webinar to learn the basics and beyond for both Paragon and CRS Data's MLS Tax Suite. These products and services encourage end user customizations so the data and services can be configured just the way you like it...YOUR way. Don't miss this opportunity to learn and optimize both systems.

Multiple sessions are available throughout the remainder of October.

October 22 (two options): 11:30pm-12:30pm PDT, 3:00pm-4:00pm
