

Webinar: How Builders Are Making it Easy for Agents to Sell & Show New Homes

NewHomeSource Professional provides members the most new construction listings to show their buyers with over 130,000 homes across the nation – All for **FREE!**

How Builders Are Making it Easy for Agents to Sell & Show New Homes

Learn How New Homes Can Meet the Needs of Your Buyers Resulting In More Closings!

- **Solve the Inventory Shortage:** Many builders have Quick Move-In Homes available today, next week, and next month.
- **New Homes Are in Demand:** Online searches for new homes are 13% above last year's record level.
- **New Homes Are Easy to Show:** Via virtual tours on FaceTime, Skype or Zoom – or by in-person tours by appointment.
- **Partner With Builders:** NHS Pro is helping make it easier for agents to register their buyer and to schedule virtual tours.

Webinar: Training for Paragon and CRS Data Tax Suite

Join the folks at Paragon in a training webinar to learn the basics and beyond for both Paragon and CRS Data's MLS Tax Suite. These products and services encourage end user customizations so the data and services can be configured just the way you like it...YOUR way. Don't miss this opportunity to learn and optimize both systems.

Multiple sessions are available throughout the remainder of October.

October 29 (two options): 9:30am-10:30am PDT, 1:00pm-2:00pm
