## All About ADUs (Portland)

Join Earth Advantage and local ADU expert Kol Peterson for a half-day course intended to increase brokers' knowledge about accessory dwelling unit (ADU) development in order to respond to increasing client demand for properties with ADU potential. Many prospective home buyers are interested in building an ADU on their property. This course is intended to help brokers understand the basic planning and building regulations for ADU development in the City of Portland to better assist their clients.

Attendees who are interested in using this course to work toward an ADU specialist accreditation should visit the Earth Advantage® Broker website to learn more.

# **2017 Build Small, Live Large Summit (Portland)**

Building smaller homes is one way to address both rising home prices and rising temperatures that are changing our planet's climate. The 2017 Build Small, Live Large Summit invites you to join leaders in ADU policy, design, and development to learn how to catalyze an ADU movement in your city. This event includes a conference, tours, and workshops. This year's summit will focus on ADUs.
