

More New Stats

We know you're curious how the market is doing. We are too! We're guessing that you've probably had buyers asking if "we've hit the bottom yet" and sellers asking you how much longer it will take to sell their house. We don't have a crystal ball, but we've been trying to provide you with more information to help you answer your clients' questions.

You may have noticed Supra lockbox access graphs and charts. These stats should give you a sense of how many lockboxes are opened on a daily and weekly basis. Plus, we've added a graph to show you how that activity has changed through 2009.

Today, we're releasing some brand new information: the number of new saved searches and the number of new prospects by RMLS™ subscribers per week since January 1! We hope these stats will be useful in helping you get an idea of when new buyers are joining the house hunt.

We welcome your ideas of other stats you think might be useful. We can't promise that we'll be able to gather them for you, but we will try to incorporate those ideas whenever we can.
