

Spotlight: REALTOR® Tim Sellers

✘ The spotlight continues to shine on some of our REALTOR® subscribers this week! Meet Tim Sellers, who works with Barb Sellers and Associates Realty in Fairview, Oregon. Tim, who specializes in residential resale, was another one of this year's Subscriber Satisfaction Survey winners.

How did your real estate career begin?

I'm a third generation real estate agent. I thought I'd just give it a try, and 24 years later I'm still trying.

What do you enjoy most about being a REALTOR®?

I like working with people, no matter who they are, where they're from, or what their world view is.

Tell me about a particularly interesting property you sold.

Well...it's more the people than the properties that are interesting, and I probably shouldn't say any more.

Everyone has a secret talent. What's yours?

I can make a bubble sound that always makes babies smile. And for the older kids, I made great paper airplanes.

Thanks, Tim!
