

RMLS™ Introduces Webinars!

Starting 9/5, RMLS™ will launch its first in a series of webinars – training sessions online. “Navigating Search Results” will explore the Search Results screen in RMLSweb, which contains information that may sometimes go unnoticed.

This webinar will explore the features that make up the Search Results screen: **Layout, Links, Help** and the **Tax, History, Map** and **Detail** buttons.

To sign up, log into RMLSweb and click on **Toolkit/Training Registration** and locate your desired web-based class. Click on the link to register online or call to register at 503.236.7657 / 877.256.2169 and we’ll get you signed up.

Preregistration is required to participate in RMLS™ webinars. In your return confirmation e-mail you will be instructed on how to join the session you have registered for. We are very pleased to begin offering this convenient, quick and easy way to stay up to date on all that RMLSweb has to offer. Click to view all our scheduled webinars in September.
